

Third-Party Pooled Special Needs Trust Fee Schedule

Commonwealth Community Trust (CCT) is a nonprofit organization whose expenses for administration are intended to be met through fees. **Please sign and return to CCT with the Joinder Agreement to acknowledge that you have reviewed this Third-Party Pooled Special Needs Trust Fee Schedule.**

CCT Fees

- **Enrollment Fee** – \$850, made payable to CCT when the trust is established by the Grantor.
 - If necessary, an installment plan can be arranged by contacting CCT.
- For trusts that will not be funded immediately, an **Annual Renewal Fee** of \$75 is applied one year after the trust is established, and is billed on an annual basis until the trust is funded.
- For trusts that are established after the Grantor has passed away, the Enrollment Fee is three (3) times the Enrollment Fee at that time. This increase is due to the complexity of administering the trust without prior information from the Grantor.
- **CCT Consultation Fee for funded trusts** – 0.50% per year*, prorated on a monthly basis
- **CCT Termination Fee for funded trusts** – \$500, only applied if the Beneficiary passes away or if the trust is moved to a different fiduciary

The Trust Company of Virginia

The Trust Company of Virginia (TCVA) has fiduciary responsibility for both managing and investing the funds.

- At the time the trust is funded, the minimum initial funding must be \$5,000 or greater.
- Checks can be made payable to *TCVA, trustee for CCT, fbo (Beneficiary Name)* for deposits to the beneficiary’s subaccount at any time.
- The funds are pooled for investment purposes, and a record is maintained for each Beneficiary’s sub account.
- Neither CCT nor TCVA can guarantee returns or rates of income on invested funds.

TCVA Fees

- **TCVA Investment & Management Fee** – averages 0.34% per year*, prorated on a monthly basis
- **TCVA Annual Record Keeping Fee** – \$200 per year, prorated on a quarterly basis
- **TCVA Set Up Fee** – \$300, one-time fee applied upon the funding of each sub account
